RUSLUT :

FINAL FINDING (OUT OUT)

ADVANTAGES & DISADVANTAGES :

Many people are moving away from sending out paper invitations for their big day. This is primarly due to be the increasee in social media and digital invitation options.

However, there are many benefits to implementing custom paper invitations and way you should consider using them. Chossing and designing a custom invitation is one of the most excuiting parts of party planning.

Yes , custom invitations cost more money, but the price of invites can skyrocket quickly if you need to buy a lot of embellishments and accessories. Everybody has a budget.

APPLICATIONS :

This project use applications of mural, canva use the two apps.

CONCLUSTION :

The conclusion aserts that while community remains a conterted concept. theatre and performace has a critical role to play in exploring and enacting community as being in common.
